"You play the ball. You don't play the opponent."

– Roger Federer

Walter D'Silva, whose vision and unwavering support have brought tremendous success to our college in the field of lawn tennis.

This inspiring quote evokes in me a deep sense of respect and honour for our Principal, Rev. Fr.

Known for its rich heritage and gentlemanly spirit, its appeal lies in the perfect combination of athleticism, strategy, skill, and mental fortitude, making it a sport for individuals of all ages and abilities. Tennis can be played on grass, clay, or hard courts, each adding a unique dimension to the game.
