

THE ASSOCIATION OF LUMINARIES

In its quest for personality development and holistic growth, the Association of Luminaries, was inaugurated on 10th of April, 2017 by the Late Rev. Fr. Rolfie D'Souza. Guided by our tagline, "Your inner strength is your outer foundation," the Association remains steadfast in its mission to nurture future leaders and empower students to achieve their fullest potential. Over the years, we have organised a wide range of activities such as special assemblies, personality development seminar, Inter school presentation competition, sex education seminar, declamation competitions, and international essay-writing contests. Each event has added a feather to our cap, exemplifying our commitment to excellence.

This year, The Association of Luminaries proudly hosted the much-anticipated Inter-School PowerPoint Presentation Competition, one of the school's most anticipated event. The competition saw enthusiastic participation from schools across the city, and its grand success further solidified our association's reputation as a pioneer in fostering creativity and innovation among students. The feedback received from all top schools across Prayagraj is self-motivating, to say the least. Another highlight of the year was the presentation of the prestigious "Personality of the Year" Award. This esteemed recognition, granted to students of Class XII, who exhibit exemplary leadership skills and an approachable, vibrant personality, was awarded to Arush Singh and Kushagra Allen Phillip, both from Class 12-F. Their achievements stand as a testament to the association's vision of shaping leaders for a better tomorrow. The association has been tirelessly working

towards the development of personalities of even young Josephites as seen in the case of Ayush Dixit of class 6-E who demonstrated outstanding oratory skills in the Luminaries Association assembly, which was based on the theme, **Never Give Up.**

"Success is not final, failure is not fatal: it is the courage to continue that counts."
-Winston Churchill

As we reflect on another remarkable year, we reaffirm our dedication to the betterment of students, the torchbearers of the future. Our achievements would not have been possible without the guidance and support of our Chairperson, Mr. Nirat Darbari, whose unwavering support has been instrumental in our success. We also extend our heartfelt gratitude to our Principal, Rev. Father Walter D'Silva, for his encouragement and blessings. I would also like to thank my fellow office bearers for their unwavering support and dedication towards the Association.

Together, we have made this year another milestone in the history of The Association of Luminaries.

As we close another successful chapter, let us remember these inspiring words of Eleanor Roosevelt:

"The future belongs to those who believe in the beauty of their dreams."

Here's to dreaming big and building stronger foundations for the years to come!

Aarav Sharma
Vice President
