

LEADERSHIP TRAINING & SERVICES ASSOCIATION

“A life not lived for others is not a life.”

-Mother Teresa

There is a difference between offering a service and being willing to serve. They may both include giving but only one is generous. The Leadership Training Services (LTS) Association at St. Joseph's College, Prayagraj, is more than an Association—it's a movement that shapes young hearts and minds to lead with purpose and serve with compassion. Rooted in the motto “Lead to Serve,” LTS empowers students to rise beyond their potential and become change-makers in society. The Leadership Training and Services Association has been striving very hard since its inception to instill true leadership and a charitable attitude in the students.

Objective: The primary aim of the LTS Association is to inculcate values of leadership, teamwork, and service in students. It seeks to develop responsible citizens who can contribute positively to society.

Activities conducted

1. Labour Day Celebration: On the bright morning of 1st of May, when the world was celebrating Labour Day to honour our helpers, the day at S.J.C. started with the Morning Prayer beseeching God for his showers of blessings on our assiduous helpers. The LTS Association conducted a ‘Services Drive’ for the School Workers as well as workers and rickshaw drivers from outside the school. As a token of appreciation and respect, all of them were provided with Caps and Food Packages: this created a feeling of kindness and affection among them and the whole SJC Family.

2. Pencil Precision: The L.T.S Association also encourages Josephites to bring out their dormant talents

so, in the month of September, to foster an interest in Fine Arts outside the classroom, a Pencil Shading Competition ‘Pencil Precision’ was organized for the students of classes VI - XII which cheered the students to bring out their imaginations on paper. It was a short learning curve for both, us and the participants. Everything was pulled off smoothly and we are happy to state that the experience was fulfilling and enriching.

Morning Assembly: A special Morning Assembly was also organised by the Association to train students to enhance their extraordinary skills and shape them to be affectionate humans.

Impact of the Association: The Leadership Training Services Association has significantly impacted the students of St. Joseph's College. It has nurtured a culture of accountability, teamwork, and empathy. Many alumni of the association have gone on to excel in leadership roles in various fields, attributing their success to the foundational skills developed during their time in LTS.

Conclusion: With blessings of our Principal, Rev. Father Walter D'Silva and Mrs. Sarika L. Lyall (Chairperson), the Leadership Training Services Association, stands as a beacon of inspiration for young leaders. Its emphasis on holistic development through leadership and service ensures that students are equipped to face challenges and contribute meaningfully to society.

Chairperson: Mrs. Sarika Lyall

President: Agam Srivastava

Vice-President: Arya Padmanabh Pandey

General Secretary: Mrinank Tiwari

Organising Secretary: Aaryav Singh

Treasurer: Sourav Singh
