

THE COLLEGE MARCHING BAND

"A band is not proud
because it performs well;
it performs well because it
is proud."

-George Parks

Band members have a special bond. A great band is more than just some people working together. It's like a highly specialised army unit, or a winning sports team. It is a combination of elements that becomes stronger together than apart.

Indeed, the SJC band members trained by Capt. A. B. Singh have a wonderful bond! Students of the various classes toil all the year round to put up a spectacular show on various occasions especially on Sports Day. According to the members, the Band practices have made them more confident, disciplined, have taught them time management, boosted their self-esteem and given them a sense of pride and accomplishment with the Band Captain.

We are confident that the years to come will see many rhythmic and rip-roaring performances from our side in the years to come.
